# Invitation

Greetings from Organizing Committee of OPTHAFEST (19th ANNUAL CONFERENCE OF HARYANA OPHTHALMOLOGICAL SOCIETY ) to be held on January 25-26th 2025 in Hotel Grand Hyatt Sect 58 , Gurugram

Ophthalmology is becoming a technically advanced branch with every going day, As per traditions and to know each other and to improvise by sharing and mutual interactions, our society HARYANA OPHTHALMOLOGICAL SOCIETY (REGD) - Which has a very strong database 1100 Members from Haryana & India is organizing this conference.

In this era of back to back meetings the need for A Neutral Platform, where enriching views from seniors, daunting questions from Young Ophthalmologists and “beyond conventional” maneuvers of extreme surgeons can make conferencing an exciting venture, cannot be over emphasized. In this conference we will be holding specialty focused discussion & meetings.

The meeting has been programed to have real life experiences, candid discussions, open debates on these issues in clinical practice and Video based discussion on surgical challenges and solutions.

With this vision we intend to hold our annual meeting expecting 450 + Delegates & above 60 National Faculty

We send our warm Invite & look upon you as a company that unconditionally supports academic activities for Ophthalmology and we are sure that with your support we would make this meeting as one of the most awaited event in India and would be something that every company would be honored to be associated with.

So, may we have the pleasure to invite you as one of the supporting partner for this Academic meet and provide us the academic and research grant for this CME activity Once, we receive your kind acceptance, our team member will call you to discuss your participation and association in this meeting. Attached please find the Information brochure for the meeting, detailed Agenda shall follow soon!

Looking forward to your acceptance and an early response.

Best Regards
